

The American Board
of
Facial Plastic and Reconstructive Surgery

Founded in the public interest and in accordance with the policies
of recognized American medical associations hereby certifies that

Mark M. Beaty, M.D.

has completed a course of graduate study approved by the Accreditation Council for Graduate
Medical Education and a peer reviewed clinical practice experience; and

has successfully passed the qualifying examinations in the discipline of aesthetic, congenital,
trauma, and reconstructive surgery of the face, head, and neck; and

has met the additional requirements for board-certification in facial plastic and reconstructive
surgery as prescribed under the authority of this board.

Peter A. Hagedorn M.D.
Secretary

Wayne F. Conover Jr. M.D.
President

Issued June 22, 2002; Valid through December 31, 2012
